Dear Congresswoman Titus and Congresswoman Salazar,

[American Citizens Abroad, Inc. \(ACA\)](#) and our sister organization [American Citizens Global Foundation \(ACAGF\)](#) would like to congratulate you on your recent re-election to Congress. As the Co-Chairs of the Americans Abroad Caucus, our organizations look forward to working with your offices and the Caucus on the issues affecting U.S. citizens living and working overseas.

The Americans Abroad Caucus provides important support for the millions of U.S. citizens living and working overseas. The Americans Abroad Caucus has been instrumental in raising some of the serious issues facing the community with regard to voting, citizenship and taxation. We trust that the Caucus will continue with this important work in the new Congress.

[ACA's research fielded in 2017 and updated 2021](#) can assist the Caucus as it provides an accurate accounting of the size, asset make-up and tax compliance of the community which ACA estimates at 4 million (5.2 million including military). This data gives the Americans Abroad Caucus important information on the community that can help with the formulation of regulations and policy which will benefit them and address their concerns.

Again, congratulations on your re-election to Congress and we look forward to working with you in the new Congress.

Sincerely,

Marylouise Serrato
Executive Director
